

Cromarty - Conversion Options and Extras

The following items are in addition to our Volkswagen T6.1 Cromarty conversion standard layout

| | Inc VAT |
|--|---------|
| Heating & Cooking | |
| Additional 3.9kg Propane Gas Bottle (P4) | £70 |
| Additional 2.72kg Butane Camping Gas Bottle (P3) | £50 |
| Gas Bottle Adaptor - allows you to simply switch from Propane Calor to Butane Camping Gaz (P5) | £28 |
| Wallas Diesel Fired Hot Blown Air Heating Combined with Diesel Fired Flat Glass Plate Hob - this removes all gas from your van. Includes upgrade of Varta VW leisure batteries to 150amp hour. It will slightly reduce your kitchen counter top space and requires a separate sink (P21) | £2,095 |
| Webasto Airtop Diesel Fired Hot Air Blown Heating. Includes upgrade of Varta VW leisure batteries to 150amp hour. Includes digital control with cool/non heated air setting (P24) | £1,695 |
| Webasto Thermo Top Evo Diesel Fired Hot Air Blown Heating & Hot Water. Includes upgrade of Varta VW leisure batteries to 150amp hour (P25) | £2,950 |
| SMEV 555 Mini Grill – located beneath the hob, this option will reduce the total size of your fridge to a 47 litre unit without an icebox and won't allow a cutlery drawer to be fitted. Not available with Wallas diesel fuelled combined hob & heater unit (P49) | £795 |
| Water | |
| 41 Litre Internal Fresh Water Tank - over rear driver side wheel arch. Required on four wheel drive, but optional on two wheel drive vehicle (P191) | £180 |
| 38 Litre Underside Fresh Water Tank - standard on two wheel drive vehicle (P189) | £0 |
| Water Purification System & Spare Filter - drink clean and clear water 365 days a year. This Flostream Micro filter located in the lower cupboard beneath the sink and is easily accessible for the annual filter change (P176) | £145 |
| 7.5m Rolled Flat Hose - for filling water tank via hozelock. Rolls up small and packs away easy to save on storage space (P33) | £25 |
| 12v Portable Water Pump Kit - if you don't have a tap and hose at hand this enables you to fill your fresh water tank from a container (P32) | £50 |
| Removable Shower fitted in Rear Cupboard Panel in Boot of Vehicle - ideal as an addition to Webasto Thermotop diesel fired hot air blown heating & hot water or simply as a cold shower to wash boots, bikes, dogs or even yourself! (P26) | £295 |
| Waste Water Tank – 27 litre (W1) tank on underside of vehicle. Available with Wallas hob/heater but not with Webasto Airtop or Thermotop heating systems. As the tank is located under the driver's side of the van this price also includes a special gulper pump to ensure the sink empties properly (P28) | £525 |
| Waste Water Tank – 21 litre (W3) tank on underside of vehicle. Available with Webasto Airtop or Thermotop heating systems, but not with Wallas hob/heater. Note that the additional Varta VW leisure battery will then be located beneath the rear seat and not on the vehicle underside (P29) | £395 |
| Sleeping | |
| Soft Thermoflex Lining on Sleeping Side of Rear Seat - under the upholstery giving extra comfort and breathability to bed. Helps to dry condensation within the bed surface (P45) | £160 |

Beech Slatted Elevating Roof Bed with Mattress & Folding Aluminium Access Ladder – maximum weight 150kg. Gives sleeping space of 186cm by 110cm (P35) £595

Elevating Roof Bed Safety Net - prevents children (or pillows!) falling from the roof bed (P37) £90

Increase Length of Rear Seat Bed - from 186cm to 200cm (6ft 1" to 6ft 5"!) with removable headrest extensions (P42) £235

Electrics

Lithium Leisure Battery System - enables a far faster recharge of leisure battery from mains supply or vehicle engine and provides a 12v supply for longer than a standard leisure battery. Is also maintenance free, can be left fully discharged for long periods without damaging the battery and can be recharged many more times than a normal leisure battery. Full system includes 100 amp NDS lithium battery, Votronic battery to battery charger, LCD display and mains charger. Fully compatible with the NDS 100 watt solar panel (P192) £2,950

Additional Internal 230v Double Socket - all our conversions include one double socket as standard (P2) £80

Additional 12v Leisure Socket in Rear of Vehicle - all our conversions have one 12v socket in the rear of the campervan as standard (P58) £48

Additional Double USB Output Socket in Rear of Vehicle - all our conversions have two double USB outputs socket in the rear of the campervan as standard (P177) £70

Two LED Inset Lights on Underside of Raised Tailgate - providing plenty of extra light into you boot space for packing or unpacking in darker conditions (P206) £160

TV socket fitted within vehicle with outside aerial connection point (P129) £195

Flush Fitting Roof Mounted 200 Watt Solar Panel – only 3.5mm thick so does not increase the height of the campervan. Provides up to 40 amp hours of power on a summer's day. Fitted with independent regulator (P195) £865

Flush Fitting Roof Mounted 105 Watt Solar Panel – only 3.5mm thick so does not increase the height of the campervan. Provides up to 20 amp hours of power on a summer's day (P34) £575

Portable Vehicle Battery Starter Pack - high quality Durite product in handy 25cm x 12cm x 10cm zip case. Simply plug into the mains 230v to charge and then store away in your van for the moment when you will really need it! (P160) £98

Roof & Body

Extra Cost for Metallic Paint Colour Coding of Elevating or Solid High Top Roof (P7) £95

Solid High Top VW Factory Fitted Roof with Full Height Rear Twin Doors (250cm overall vehicle height & 190cm internal head height) - a non elevating permanent high top roof instead of an elevating roof. Includes two opening double glazed side windows & an opening roof skylight - all with integral blinds and flyscreens. Also includes the roof colour painting to a solid paint colour - please note there is an extra charge of £95 for a metallic paint colour (P132) £995

Roof Rails - fitted to elevating roof. These enable cross bars or a roof rack to be fitted (P50) £225

Roof Rails - fitted to elevating roof with addition of pair of Thule Wingbar Evo cross bars (P56) £465

Roof Rails - fitted to elevating roof with addition of full side slide off Kari-Tek Easy Lift Roof Rack for easy carrying of kayaks or canoes (P51) £885
